WHAT IS INSURED

Regardless of the warranty status of **Your Equipment**, **You** are able to make a claim under this Policy for losses up to the maximum **Claim Limit** of £500 per claim (this includes the cost of call out fees, cost of repairs, cost of replacements and VAT). If an item requires replacing, we will contribute up to the declared value of **Your Item** towards the **Replacement**, bearing in mind the maximum claim limit explained above, subject to the below exclusions and limitations.

Please note, there is no limit on the number of claims **You** could make under this policy.

***Note: Accidental Damage to TVs will be covered only if it is mentioned on the Certificate of Insurance.**

We validate all policies to ensure that all **Our** customers have, and receive, the appropriate levels of protection. To do this, **We** may request evidence proving that the Item is in full working order. If **We** have requested this and do not receive it prior to a claim being made, **We** may consider the fault, or damage, to have been pre-existing and reject the claim.

You are obliged to inform us of any material fact that affects the risks we insure. If you are in any doubt whether a fact is material, you should disclose it.

HOW TO MAKE A CLAIM UNDER THIS POLICY

If **You** experience any issues with **Your Equipment** during the **Period of Cover**, **You** should initially call **Our** helpline on 03333 449 669. **You** may also contact **Us** via e-mail on enquiries@smart-sure.com or via **Our** website www.smart-sure.com **Our** helpline is open 6 days a week, 9am to 6pm Monday to Friday and 10am to 4pm Saturday excluding UK public holidays. In order to deal with **Your** claim fairly and promptly, **We** may require **You** to complete and return a claim form which will be provided. The consideration of **Your** claim maybe delayed pending receipt of the requested information.

Please note, **You can only make a claim under this policy if all due Premiums are paid and the date on which **You** are making the claim falls between the Start Date and End date of **Your** policy.** At the point of making a claim, the remaining **Premium** balance, for the year, becomes due. In certain cases, **We** may request for further evidence to support **Your** claim. This may include but not limited to proof of ownership, identity, and residence as well as photographic evidence to investigate the damage.

TECHNICAL SUPPORT

Initially, **We** will try to resolve the issues **You** are having with **Your Equipment** through **Our** helpline. **Our** trained technical support team will be able to run basic diagnostics to try to have **Your Item** up and running straight away. If **We** are unable to resolve the matter over the phone, **We** will send an engineer to **You** to repair **Your Equipment**. **You** must always use **Our** approved engineer. When **We** are unable to

provide an engineer, **We** may agree for **You** to arrange an engineer to repair the fault. In such unlikely cases, **You** will need to pay for the repair which **We** will reimburse **You** within 5–10 working days from the date **We** receive and validate the invoice. Please note, in such cases, prior to any work being undertaken by **Your** engineer, they must contact **Our** technical helpline for authorisation. **Without this, the invoice will not be accepted.** Engineers arranged by **Us** are generally available for call outs, subject to availability and by pre-arranged appointment, 9am to 6pm Monday to Friday, excluding UK public holidays.

Where an engineer is sent to repair **Your Equipment**, **You** will be liable to pay for the reasonable call out costs where no fault is found with **Your Equipment**, or the identified fault is one that is not covered under the insurance policy. If the engineer is denied reasonable and safe access to **Your** property and/or the **Item** concerned, **You** will be liable for all the callout costs.

If **Your** Equipment cannot be repaired, **We** will source **You** a **Replacement Item**. In the unlikely event where **We** cannot replace **Your Equipment**, **We** will provide **You** with a voucher/cheque which **You** will be able to redeem. **Where We replace Your product, it will remain Your responsibility to install the replacement Item and dispose of the old Equipment.**
